# i-Ready Assessments

## For Reading and Math

## Dear Families,

Your child's teachers need to know what our students already know and what they still need to learn so we can plan how to teach them best. The *i-Ready Diagnostic* can help us get this information for each child, but only if students give it their best effort without anyone else helping with the answers.

*Here's how you can help:*

1

### Watch this [video](#)

to familiarize yourself with the Diagnostic and how to best support your child.

2

### Get organized

by finding a quiet space for your student to take the test and confirming your technology is working properly.

3

### Motivate your child

by explaining how doing their best will help their teachers know how to teach them better.

4

### Support, but DO NOT help

by encouraging your child to stay focused and try their best and NOT helping them with the answers.

5

### Celebrate your child's effort

once you have confirmed they have completed the assessment.

# Assessment Week

Monday - Friday

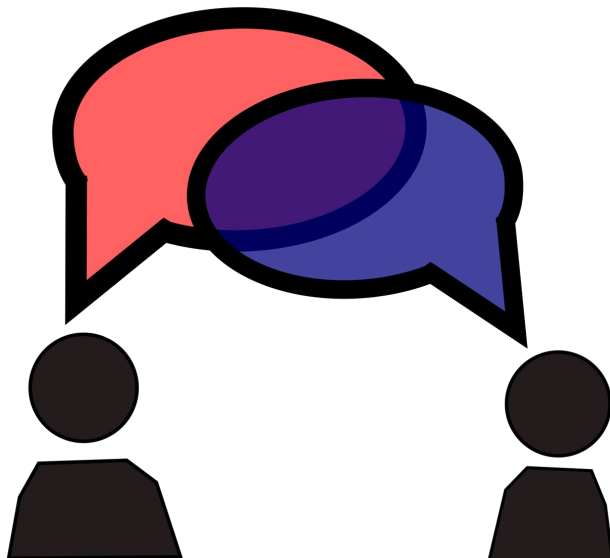

October 26th - 30th

Please - No helping!!

# Parent-Teacher Conferences

November 16th - 20th

# Questions for conferences:

## Behavior & Academic Performance

1. What do you see as my child's strengths? What areas would you like to see improvement?
2. Does my child work up to their potential? Is s/he doing her/his best?
3. Does my child behave respectfully to you? Does s/he follow class rules? Is s/he polite and kind? Does s/he stay on task for the most part?

## Social Skills & Special Abilities

4. What do you like about my child? Have you noticed any special skills or talents in my child?
5. How is my child doing socially? Does s/he seem to have friends and get along with the other students? Does my child seem happy overall?
6. Does my child speak up or ask questions during class? Does s/he ask for help if s/he is confused or unsure?

# Questions:

## Classroom Support & Schoolwide Systems

7. What do you do when my child struggles academically?
8. How do you support children in their social development? For example, how do you address challenges that happen with behavior in the classroom? At recess?
9. What is your homework policy and how my child is doing with homework? Do you have a system for parents to know what homework is assigned?

## Home Support & Goal-Setting

10. How can I be more involved at home to support what you're doing in the classroom? Do you have a system for parents to know what homework is assigned?
11. What is our action plan for this coming term? What goals should we set for work at school, along with homework?
12. What is the best way for us to communicate? (Email? Phone? Text? DoJo? Notes?)

# Health Office

## Monday - Friday

8:30 to 3:30

School Nurse Paula Potter, BSN, RN, PHN
